Any waiver of an immaterial deviation or defect shall in no way modify the RFP or excuse the company from full compliance with the requirements of the RFP. All proposals shall become the property of the Treasurer and/or his agents.

SECTION VI: OTHER CONSIDERATIONS AND RESTRICTIONS

CONFIDENTIALITY

The Treasurer shall treat all documents submitted by a Respondent in response to this RFP as public records upon selection. The release of public records is governed by the Access to Public Records Act under R.I. Gen. Laws § 38-2-1 et seq. (“APRA”). Respondents are encouraged to familiarize themselves with this law before submitting a proposal.

By submitting a proposal, Respondent agrees that the Treasurer may reproduce Respondent’s proposal for purposes of facilitating the evaluation of the proposal or responding to requests for public records. Respondent consents to such reproduction by submitting a proposal and further warrants that such reproduction does not violate its rights or the rights of any third party.

Any request by Respondent that records submitted by them be exempt from being considered public records must be included in the cover letter with the Respondent’s proposal. In addition, Respondent must enumerate the specific grounds upon which the APRA or other applicable law supports treatment of the documents as exempt from being considered a public record, and further, the factual basis, if any, upon which they rely in asserting that the documents should be exempt. Any request for treating records submitted as being exempt must also include: the name, address, and telephone number of the person authorized by the Respondent to respond to any inquiries by the Treasurer regarding such an assertion.

Any proposals submitted which contain non-public records must be conspicuously marked on the outside as containing non-public information, and each page upon which non-public information appears must be conspicuously marked as containing non-public information. Identification of the entire proposal as being non-public records may be deemed non-responsive and may disqualify the Respondent.

If the Respondent designates any portion of the proposal as being a non-public record, the Respondent must submit one (1) copy of the proposal from which the non-public record is deleted or redacted clearly labeled as “(Respondent’s name) Non-Public Proposal”. This copy shall be submitted in addition to the number of copies requested in Section V of this RFP. The non-public records must be exercised in such a way as to allow the public to determine the general nature of the information redacted and retain as much of the proposal as possible. The Treasurer will not redact any information on behalf of the Respondent.

The Treasurer will treat the records as non-public as being confidential information to the extent that such information is determined confidential under the APRA or other applicable law or by a court of competent jurisdiction. The Respondent’s failure to request records submitted as being non-public records will be deemed as a waiver of any right to confidentiality, which the Respondent may have had.

RESTRICTIONS ON GIFTS

State ethics laws restrict gifts which may be given or received by employees and directors and require certain individuals to disclose information concerning their activities with the State government. Respondents are responsible for determining the applicability of these laws to their activities and to comply with the requirements. In addition, it is a felony offense to bribe or attempt to bribe a public official.

STATE CODE OF ETHICS

The State of Rhode Island and Treasurer are committed to maintaining the highest standards of ethics in the awarding of contracts. Respondents should be familiar with and abide by the State Code of Ethics, as set forth in R.I. Gen. Laws § 36-14-1 *et. seq.*, and any additional regulations as provided on the State Ethics Commission website <https://ethics.ri.gov/code-ethics>

NON-DISCRIMINATION

All proposals shall be considered on their merit in accordance with the criteria specified herein and shall not exclude any person, firm, or other entity, from consideration on the grounds of race, color, religion, sex, sexual orientation, gender identity or expression, age, national origin, or disability. For more information, see the State of Rhode Island Office of Diversity, Equity & Opportunity website at <https://dedi.ri.gov/>
